Coming out is generally thought of as an important passage to maturity in the glbtq community, an acknowledgment of one's sexuality and a necessary prerequisite to accepting one's place in the community.

### **Coming Out - Archives of the glbtq Encyclopedia Project**

Coming out can be a difficult process, particularly as an older woman. Some women come bounding out of the 'closet', some may come out in stages, others may never come out; this is their choice and no-one has the right to force that process. This leaflet has been produced by a group of lesbian and

Stages in Coming Out Cassâ€™ Homosexual Identity Development Model Coming out is a process that happens again and again; it is not just a one time deal and it does not follow a linear course. It occurs initially when one acknowledges to oneself (most important and difficult aspect of coming out) and to others that one is gay, lesbian or bisexual. One claims that orientation as his/her own and ...
