While rates of juvenile crime have declined over the past decade, public preoccupation with youth violence remains high, periodically fueling judicial and legislative "get-tough" policies and social movements.

### **Juvenile crime and juvenile justice: Patterns, models, and**

An emerging market is a country that has some characteristics of a developed market, but does not satisfy standards to be termed a developed market. This includes countries that may become developed markets in the future or were in the past. The term "frontier market" is used for developing countries with smaller, riskier, or more illiquid ...
