

south western century 21 pdf

Network Rail plans to spend £5 billion on modernising the Great Western main line, its South Wales branch and other associated lines. The modernisation plans were announced at separate times but their development time-scales, during the second decade of the 21st century, overlap each other.

21st-century modernisation of the Great Western main line

The South Western Main Line (SWML) is a 143-mile (230 km) major railway line between Waterloo station in central London and Weymouth on the south coast of England.
